Eligibility

Please review the eligibility requirements for your selected Fellowship stream below. Further details on eligibility requirements are provided in the Fellowship Guidelines.

Fellowship stream

Eligibility requirements

Early Career Research

Hold a **PhD awarded by the EOI closing date** and meet the specified early-career/research experience requirements. Fellowship undertaken at **0.8-1.0 FTE**.

Clinical Research - Medical

Be a **medically qualified clinician with current professional registration to practise in Australia**. Fellowship undertaken at a minimum of **0.3 FTE**.

Clinical Research - Nursing & Allied Health

Be a **qualified nurse or eligible allied health professional**, with professional registration where applicable, and meet the specified research experience/career-stage requirements. Fellowship undertaken at a minimum of **0.3 FTE**, with an identified research mentor or mentoring team.

Which CRF Fellowship stream are you applying for? *

☐ Early-Career ☐ Clinical (Med) ☐ Clinical (A/H/Nursing)

Eligibility confirmation

☐ I confirm that I meet the eligibility requirements for my selected Fellowship stream.

Are you an Australian citizen or permanent resident?

☐ Yes ☐ No

If no, please upload documentation confirming your eligibility to work in Australia for the duration of the Fellowship

Fellowship Funding and Salary Support

* indicates a required field

What research FTE are you requesting through the Col Reynolds Fellowship? *

The proposed FTE must meet the requirements of your selected Fellowship stream.

Do you currently hold, or have you applied for, any other funding that provides salary support for research activities during the proposed Fellowship period? *

☐ Yes ☐ No

Holding other research funding does not necessarily make you ineligible. However, the Col Reynolds Fellowship cannot duplicate salary support for the same research FTE. All salary support must be disclosed in the Current Research Funding section below and any overlap resolved before the Fellowship commences.

Current Research Funding

If yes, please provide details of any current, confirmed or pending funding that includes research salary support and may overlap with the proposed Fellowship period. Include research grants, fellowships and other sources of salary support.

Funder	Funding type	Funding status	Applicant role	Funding period	Total Value (AUD)	Salary support to Applicant	Salary FTE
	e.g. Project Grant or Fellowship		Position or contribution to the grant	mm/yyyy-mm/yyyy	Must be a dollar amount.		

Indicative Annual Fellowship Budget

Provide an estimate of the **annual funding requested** (in AUD) from The Kids' Cancer Project. Detailed costings will be required at full application.

Amounts are indicative annual estimates and may vary across the Fellowship period, subject to the overall funding limits.

The Researcher

* indicates a required field

Please upload your Curriculum Vitae (maximum 2 pages) *

Attach a file:

Research Experience: Summarise your research experience and career progression, highlighting how your roles and responsibilities have developed and prepared you for this Fellowship *

Word count:

Must be no more than 300 words.

Your experience will be assessed relative to career stage, discipline and research opportunity. Please identify any significant, non-overlapping career disruptions lasting more than 60 days.

Research Impact: List up to five (5) significant research contributions, briefly describing your role and the impact or significance of each. *

Word count:

Must be no more than 300 words.

Contributions may include publications, research outputs, clinical research initiatives or changes to practice. Include citations or links where relevant.

Research Career Development: What research skills and experience do you aim to develop through the Fellowship, and how will these support your longer-term career goals? *

Word count:

Must be no more than 200 words.

FY28_CRF EOI Application

Form Preview

Consider your next stage of research development, including greater research independence or leadership, where relevant.

Research Motivation: What motivates you to improve outcomes for children and young people with cancer, and what would receiving a Col Reynolds Fellowship mean to you personally? *

Word count:

Must be no more than 150 words.

Research Environment: Describe the mentoring, research environment and institutional support available to help you undertake the Fellowship, including arrangements for protected research time where relevant. Nursing & Allied Health applicants: Identify your proposed research mentor(s) and outline how the mentoring arrangements will support your development as a researcher. *

Word count:

Must be no more than 300 words.

Shortlisted applicants will be required to submit a detailed Professional Development Plan as part of the full application.

The Research Project

* indicates a required field

Research Project Details

Project Scientific Title *

Project Lay Title *

Project Summary: Brief overview of your project including background, aims, research methods and expected outcomes in lay language. *

Must be no more than 250 words.

Provide a clear overview of the background, aims, proposed approach and expected outcomes, written for a non-specialist audience

Project Significance and Benefit: Explain the unmet need or gap in knowledge or care that your research addresses and why this matters for children and young people with cancer. *

FY28_CRF EOI Application

Form Preview

Must be no more than 250 words.

Focus on the significance of the problem and the contribution your research could make, rather than repeating the project summary.

Project Feasibility: Outline your research questions, methods, key activities and expected outputs. Explain how the proposed work is achievable within the Fellowship timeframe. *

Word count:

Must be no more than 300 words.

Include key resources, expertise and any important dependencies.

Project Translation and Impact: Describe how the findings from your research could be translated into further research, clinical practice, policy or improved care, and the next steps towards achieving this. *

Must be no more than 300 words.

Include how consumers have been or will be involved in the research, where appropriate.

Project Alignment: How does this project align with TKCP Strategic Research Pillars (Discover, Translate, Support) *

Must be no more than 200 words.

Please answer with reference to the TKCP Research Strategy

Declarations

* indicates a required field

Applicant Declaration

Provide any additional details regarding research activity or questions to The Kids' Cancer Project or Research Advisory Committee not covered elsewhere in this report. (Maximum 100 words)

Were generative artificial intelligence (AI) tools used in the preparation of this application *

☐ Yes

☐ No

Examples include tools such as ChatGPT, Claude, Gemini, Copilot or similar systems used to generate, edit or summarise text.

If yes, please briefly describe how AI tools were used in the preparation of this application (e.g. drafting, editing, language refinement, summarisation).

I confirm that: *

- ☐ The information in this application is accurate and complete.
- ☐ I meet the eligibility requirements for my selected Fellowship stream.
- ☐ I have disclosed all current, confirmed and pending research funding and salary support, and understand that salary funding cannot overlap for the same research FTE.
- ☐ This application has been endorsed by the Administering Institution, which has not exceeded the maximum number of applications permitted under the Fellowship Guidelines.
- ☐ I consent to my application being shared with The Kids' Cancer Project Research Advisory Committee for assessment.
- ☐ This application reflects my own work. Where AI tools have been used, I retain full responsibility for the content, integrity and originality of the submission.

At least 6 choices must be selected.
